Order of Competition & Staging :

The order of competition will be as followed : OOC followed by Beauty. The reason we choose to do competition in reverse order from the traditional way of pageantry is we like to have the contestants in their beauty wear for crowning, and also the OOC competition seems to be the favorite part for contestants. They get to let loose and have fun, and it pumps them up for the less exciting part ; beauty! Plus it is always nice to reduce the number of changes during an already hectic time for both the chaperones and the contestants.

Staging of the competition is a T formation, if you were sitting at the judges table, you would be looking at the bottom of the T first, the stem. We would prefer for contests to follow the basic T formation during their beauty routine, however, OOC is anything goes and they can work the stage however they choose!

Other Pageant Related Information :

Registration starts at 10 am on the day of your event! Competition will start by noon, or as close as possible. There WILL be dressing rooms available, but you are more than welcome to provide your own room at the accompanying hotel. Pageants are free to come and watch, however doors will be closed for a 30 - 45 min interval while scores are tabulated and the stage is set for crowning. We would like for contestants to be in their beauty/crowning wear for the crowning ceremony. When the doors reopen, there will be a \$5 admission fee per person. Contestants & one chaperone are free.

You Can Pre Purchase Admission.

Other Awards, Supreme Titles, & Double Crowning :

A staple in our pageants are that everyone is entered at the same level, our entry fee is set up so that everyone can be entered in to every single category we offer, to maximize the opportunity with walking away with a title in hand! If you win an Age Group Princess, Queen, or Supreme title you are NOT eligible for Mini, Grand, & Elite Supreme titles or Ultimate Supreme titles. HOWEVER, you are still eligible for OOC, Photogenic, Top Model, Beauty Supreme and these titles may or may not be double crowned as they are based on scoring.
